In Loving Memory
John Mariucci
1916-1987

"This was the noblest Roman of them all...His life was gentle; and all the elements so mix'd in him that Nature might stand up and say to all the world, This was a man!"

Julius Ceasar, Act V., Scene V.

Shakespeare's lines, spoken by Robert Ridder at John Mariucci's Resurrection Liturgy last March 26, made a perfect summation of the life of this man loved by all of us.

The elements were so mixed in John Mariucci that he was a man for all seasons, not only for hockey season. His impact on hockey in Minnesota and in the United States will be felt as long as the game is played. But there were so many other dimensions to this man.

He could discuss politics and history with awareness and intelligence. His enthusiasm for opera was matched by his ability to sing chorus after chorus of "Danny Boy." In his sixties he began to study the Russian language. His wit was legendary. His kindness was renowned.

During his 70 years John never lost the curiosity and capacity for living the full life which God gave him on May 18, 1916.

Now he is gone, leaving behind his beloved wife, his family and all of us, who pray for him, in the words sung at his funeral Mass:

"And He will raise you up on eagle's wings, bear you on the breath of dawn, make you shine like the sun—and hold you in the palm of His hand."

Thanks, John

George Gund III

Co-Chairman of the Board

When you look at the ownership level in the National Hockey League, you see very few people who play the same game that they operate. Maybe they played when they were kids, but not now. George Gund, who, with his brother Gordon, owns the Minnesota team, is an exception to the rule.

The North Star team is not his only hockey property. Gund, 50, is an owner of Sun Valley, Idaho, Ice Skating Inc., and takes a regular shift on defense for the Sun Valley Suns, a senior league team. Gund's interest in the playing end of the game is not new-found. He played hockey as a youngster in his home town of Cleveland and organized the first team at Case Western Reserve University. He also played for the Cleveland Falcons in that city's league and for city league teams in Seattle and San Francisco.

Gund entered the National Hockey League picture in 1975 when he became part owner of the California Seals. He was instrumental in the move of the California team to Cleveland in 1976 and in the purchase of the team by him and his brother in 1977. It was June of 1978 when he helped put together the unprecedented merger of the Minnesota and Cleveland teams and a little over a month later when the Gund brothers assumed 100 percent control of the North Stars.

He has served as director of Ameri-Trust Corporation for 17 years and is a past Board Member of the Redwood Bank in San Francisco. Along with real estate interests in the Bay Area and Port Angeles, Wash., he owns a cattle ranch in Lee, Nev. He was a founding shareholder and past Chairman of the Board of the Rusty Scupper restaurant chain.

In addition, he is an importer and distributor of foreign films. He has been actively involved with the San Francisco International Film Festival and has been Chairman of the Board since 1974. He supports a variety of film-related organizations including the Pacific Film Archive at the University of California at Berkeley, the Telluride and Cleveland International Film Festivals, the Independent Feature Project, and the Ohio Film Bureau. In 1986, he became a member of the board of Trustees of the Sundance Institute in Utah.

Gund is a trustee of the George Gund Foundation, the San Francisco Art Institute and the University of Nevada Foundation in Reno. He is a member of the Board of Directors of the U.S. Hockey Hall of Fame and a member of the U.S.A. Olympic Hockey Committee for the 1988 Olympic Games. Gund and his wife, Theo, make their home in San Francisco and are the parents of two boys.

Gordon Gund

Co-Chairman of the Board

Gordon Gund's interest in hockey sprang from his days as a boy at Groton School, was reinforced at Harvard University where he played defense for the Crimson, and continues today at the National Hockey League level. Gund, 47, joined his brother George in 1977 in ownership of the former Cleveland Barons. He played a key role in the summer of 1978, when the Gunds assumed control of the North Stars and Met Center.

The expertise shown in completion of the merger is typical of Gund's successful, wide-ranging career in business and public service. Gund's involvement in the business of sports and entertainment expanded in 1981, when he and his brother acquired complete ownership of the CAVS/ Coliseum Management Company and then again in 1983 when they acquired control of the NBA Cleveland Cavaliers. Gund is co-chief executive officer of the CAVS/Coliseum Management Company. Also in 1983, again with his brother, George, Gund acquired the ownership of Nationwide Advertising Service, Inc., a major recruitment advertising agency. Gund is co-chairman of NAS, which has 35 offices throughout the United States and Canada.

Gund also is president and chief executive officer of Gund Investment Corp., of Princeton, N.J., which manages diversified investments. He is a general partner of GUS Enterprises, San Francisco, a firm formed in 1969, which is involved in real estate development, principally on the West Coast. Gund is a director of Kellogg Company of Battle Creek, Mich., and First Florida Banks, Inc., a Florida bank holding company headquartered in Tampa, Florida.

Gund has also taken a leading role in national charitable/philanthropic endeavors. In 1971, he co-founded the now international RP Foundation Fighting Blindness, headquartered in Baltimore, of which he is chairman and trustee. This foundation is dedicated to finding a treatment and cure for retinitis pigmentosa and allied degenerative diseases of the retina which impair the vision of many hundreds of thousands of children and adults, often leading to total blindness. This foundation now has 31 chapters and 31 resource centers in 38 states, and 20 international affiliates.

John F. Karr

President

John Karr entered hockey management in 1978 after a successful career in business, bringing to his position as president and chief operating officer of the Minnesota North Stars strong leadership based on a broad background in management, finance and marketing. He serves on the Club's Board of Directors and is an alternate governor of the NHL Board of Governors.

His responsibilities include management of the Met Center as well as the North Stars. The Met Center, Minnesota's best-designed and most successful sports and entertainment arena, is operated by a competent, experienced staff under his direction.

Karr, 58, entered the business world in 1953 after he was awarded his MBA at Indiana University. He served on management teams for the Burroughs Corp., The Trane Co., Arthur D. Little, Inc., Goodyear Tire & Rubber Co. and Cole National Corp. For Cole National, a Cleveland-based specialty retail company, he served in several capacities including vice president-planning, vice president-finance and administration, and a member of the board of directors. Karr moved into the National Hockey League during the 1977-78 season as president and chief operating officer of the Cleveland Barons. After completion of the history-making amalgamation of the Cleveland and Minnesota teams, Karr was chosen for the same position with the North Stars.

Karr spent his early days on Michigan's Upper Peninsula in the small town of Allouez. He later moved to Detroit and attended high school in that city. He served two years in the United States Army. Karr graduated in 1952 from Wayne State University. Karr and his wife, Mildred, make their home in Edina. They are the parents of four children, two boys and two girls.

Lou Nanne

General Manager

Lou Nanne has been at the helm of the North Stars for nine seasons. In that span of time Minnesota has risen from the cellar of the National Hockey League to the high-rent district. He took over a team in 1978 that was worst in the NHL and has made it one of the formidable clubs in the league. Make no mistake, the team is his creation. Not one player at this year's training camp was his teammate on the 1977-78 squad. The rest arrived as the result of deals and drafts arranged by Nanne. He not only serves the North Stars as general manager, but also is vice president and one of Minnesota's alternate members of the NHL Board of Governors. He recently finished a term as chairman of the General Managers Committee of the NHL.

Nanne has been a North Star ever since he turned professional.

He was the only performer to play with the North Stars in all of the first 11 years of the team's existence. Over those 11 seasons he played defense most of the time, but had a couple of highly-successful seasons at right wing.

A native of Sault Ste. Marie, Ont., Nanne played minor hockey with Rangers General Manager Phil Esposito, but chose to attend the University of Minnesota where he became the only defenseman to win the WCHA scoring title. A naturalized citizen, he captained the United States Olympic team in 1968. Since 1964 he has served as color commentator during television broadcasts of the Minnesota high school hockey tournament. He is the most-recognized hockey figure in the state. Nanne, 46, and his wife, Francine, live in Edina. They are the parents of a girl, twin boys, and a third boy.

Glen Sonmor

Assistant General Manager

Glen Sonmor can look back on more than 20 years of association with the sport of hockey in Minnesota.

He coached the North Stars more days than any man in the team's history. Under his guidance Minnesota advanced to the Stanley Cup final in 1981 and won the Norris Division championship. The two accomplishments have been high points of the team's 20 seasons in the NHL.

In his three different turns behind the bench, he coached more games (417), won more games (174) and has the best winning percentage (.516) of any coach in the North Stars' history.

Sonmor, 58, now is assistant general manager of the North Stars. He succeeded the late John Mariucci last summer. Prior to his appointment he was the team's director of player development.

He spent five full seasons and part of another as coach at the University of Minnesota and more than five years as general manager and as coach of the Minnesota Fighting Saints of the World Hockey Association. He also earned his bachelor of science degree in physical education at Minnesota.

Sonmor, born in Moose Jaw, Sask., played junior hockey at Guelph, Ont., and Brandon, Man. The bulk of his professional playing career was spent at Cleveland of the American Hockey League, but he did play parts of two NHL seasons, 1953-54 and 1954-55, with the Rangers. His career on the ice was ended in 1955 when he lost the sight of an eye while playing for Cleveland. Mariucci, then UM coach, hired Sonmor as freshman coach in 1956. He later coached junior hockey at St. Catharines, Ontario, in the AHL at Springfield, Mass., and Ohio State University before returning to the UM as head coach in 1966. Sonmor was named Fighting Saints general manager and coach in 1972 and held either one or both of those positions until that team expired in 1977. He coached Birmingham all of the 1977-78 season.

Herb Brooks

Head Coach

Herb Brooks returned to his roots late in April of 1987. That's when he signed the contract that made him the first Minnesotan to coach his state's National Hockey League team.

Brooks, 50, was born and raised on the east side of St. Paul. He played at Johnson High School and the University of Minnesota, and coached the Gophers to three NCAA titles before recording his most memorable achievement as coach of the United States 1980 Olympic gold medal champions.

He coached the New York Rangers for three and a half seasons from 1981 to 1985. His Ranger squads made the playoffs in each of his three full seasons. He reached the 100-victory mark faster than any coach in Rangers history. His win-loss-tie record at New York was 131-113-41.

His University of Minnesota teams won three NCAA championships and recorded a seven-season total of 175 victories, 100 defeats and 20 ties. His most recent coaching position was held last season at St. Cloud State University where his team advanced to the NCAA Division III Final Four and finished third in the nation. The Huskies finished first in the Northern Collegiate Hockey Association.

He is a 1961 graduate of the University of Minnesota, with a bachelor's degree in psychology. Brooks and his wife, Patti, are the parents of a son and a daughter. They make their home in the Twin Cities suburb of Shoreview.

J.P. Parise
Assistant Coach

Head coaches have come and gone but J.P. Parise has been a constant on the North Stars scene for seven of the last eight seasons. He has served as an assistant coach during that span, which was interrupted only by a year as head coach of the club's then-farm team in Salt Lake City. This will be Parise's 18th year in the Minnesota organization as a player or coach.

He spent 11 full seasons and parts of three others in the NHL. The 46-year-old from Smooth Rock Falls, Ontario played left wing eight straight seasons for the North Stars, then went to the Islanders and Cleveland before returning to Minnesota as part of the Cleveland merger in 1978. He was named Minnesota's most valuable player in 1969-70 and played for Team Canada in the historic first series against the Soviet Union in 1972.

Parise, who was captain of the North Stars during his last season as a player, still is among the team's all-time leaders with 242 assists. He scored 396 points and played 588 games. At the time of his retirement in September of 1979, he had played the most games of any active performer.

Parise and his wife, Donna, live in Bloomington. They have two sons.

Carl Wetzel
Assistant Coach

Carl Wetzel is the newest member of the North Stars coaching staff, but he is hardly a newcomer to Minnesota's National Hockey League Club.

Wetzel is an original North Star. He was signed by Minnesota before the team took to the ice in 1967 and performed in goal for the North Stars in that inaugural season.

He also played in the NHL for Detroit and in the World Hockey Association for Minnesota. Wetzel played for United States National teams in 1967, 1970 and 1971. He scouted three years for the Red Wings and served as goaltending coach for the University of Minnesota from 1983 to 1985.

His primary responsibility with the North Stars will be to work with the team's goaltenders.

A native of Detroit, Wetzel, 48, is the father of 2 boys and a girl. He and his wife Claudia make their home in Inver Grove Heights.

Keith Acton
CENTER

12

BASICS

Height: 5-9 — 173 cm.

Weight: 172 lbs. — 78 kg.

Age: 29 (April 15, 1958)

BORN

Stouffville, Ontario

Off-Season Home: Stouffville, Ontario

Right Handed, Shoots Left

OBTAINED

Obtained from Montreal Oct. 28, 1983 with Mark Napier and Montreal's third choice in the 1984 Entry Draft for Bobby Smith.

LAST SEASON

1986-87 — Like many other North Stars, Keith Acton saw his production fall off last season. Acton's output of 45 points and 16 goals were the lowest of his four seasons at Minnesota. Before last season he had been a model of consistency — scoring 55, 58 and 58 points. Not at all bad for a center who often draws the assignment of shadowing the opposition's No. 1 offensive player. His play in that role is so effective that any points he scores come as a bonus. Acton also is one of the North Stars' prime penalty killers.

CAREER

Instant success was not the path for Acton. As a draft choice he was far down the list (103rd) when Montreal chose him in 1978. He went back to his junior team in Peterborough, Ont., for the 1978-79 season and then spent two years in Montreal's AHL outpost in Halifax, Nova Scotia, preparing for his NHL debut. When he did join the Canadiens, he was ready and spent three solid seasons in their lineup before his departure for Minnesota.

HIS GAME

Acton's game combines both offense and defense. He is a good goal-scorer and excellent with the puck. He is an aggressive player who is capable of going head-to-head against the top offensive centers in the league. His style is based on hard work, mobility, tenacity. He is a penetrating offensive player. His defensive game is a model of diligence. His total game is a reflection of the work ethic.

Don Beaupre
GOALTENDER

33

BASICS

Height: 5-8 — 170 cm.

Weight: 162 lbs. — 73 kg.

Age: 26 (Sept. 19, 1961)

BORN

Kitchener, Ont.

Off-Season Home: Burnsville, Minn.

Right Handed, Shoots Left
Glove Hand — Right

OBTAINED

Minnesota's second choice (37th overall) in the 1980 Entry Draft.

LAST SEASON

1986-87 — Last season was hardly a vintage year for the North Stars. It follows that the same was true of the performances of the club's goaltenders. The year was particularly frustrating for Don Beaupre. He was outstanding at various points during the season, playing well enough to win NHL Player of the Week honors. But at other times he and the North Stars had their problems. The result was only the second losing season (17-20-6) since Beaupre joined the North Stars in 1980.

CAREER

Beaupre arrived in the NHL to rave notices. He started in the NHL All-Star game at the age of 19 and finished third in voting for rookie of the year. His play fell off the next season and there was speculation that he was a one-season wonder. However, his showing the next five seasons has proved that he has earned his place among the league's top goalies. His performance in 1985-86 earned him Comeback Goalie of the Year honors in the Hockey News.

HIS GAME

Beaupre depends on speed of hand and foot for his success in goal. Given his size, he has to move quickly to stop the kinds of shots he faces in the NHL. He has an especially fast glove hand and is adept at going down at the right time and getting up soon enough to frustrate his foes.

Brian Bellows
RIGHT WING

23

BASICS

Height: 5-11 — 181 cm.

Weight: 195 lbs. — 89 kg.

Age: 23 (Sept. 1, 1964)

BORN

St. Catherines, Ont.

Off-Season Home: Eden Prairie, Minn.

Left Handed, Shoots Right

OBTAINED

Minnesota's first choice (second overall) in the 1982 Entry Draft.

LAST SEASON

1986-87 — A sore wrist last year accomplished what NHL defensive players have attempted for five seasons — it held Brian Bellows to the lowest point total in his NHL career. Bellows only was able to play 65 games because of his wrist ailments. That probably cost him a 30-goal and 70-point season and may have made the difference in the North Stars' playoff hopes.

CAREER

Bellows' final year of junior, which culminated in the Memorial Cup title for his Kitchener, Ont., team, saw him play under the blinding glare of media attention from start to finish. He was the only entrant in what was called the Bellows Sweepstakes, the duel among NHL teams to gain the No. 1 overall draft choice and his services. Play during his first five years in the NHL was conducted under more-normal circumstances, but Bellows still attracts more attention than many of his teammates.

HIS GAME

Bellows is not a finesse player, but a grinder and a good all-around player. He is an intense competitor who is 100 percent into the game all the time. He has been the North Stars' most consistent player during much of his five-year career in the National League.

Age: 26 (June 2, 1961)

BORN

St. Paul, Minn.

Off-Season Home: Apple Valley, Minn.

Right Handed, Shoots Left

OBTAINED

Minnesota's 13th choice (181st overall) in the 1981 Entry Draft.

LAST SEASON

1986-87 — Last season was just as surprising as the previous year for Scott Bjugstad and his admirers. However, it was surprising in a different way. No one expected him to score 43 goals in 1985-86. But no one expected him to score four goals in 1986-87. It was a total reversal of form. It is true that Bjugstad was sidelined by strained abdominal muscles. But that occurred later in the season. Earlier, Bjugstad saw chances that resulted in goals two years ago turn into near misses last season. After nearly a half season of frustration, he was sent to Springfield of the AHL. He split the balance of the season between there and Minnesota where he suffered his stomach muscle injury later in the season.

CAREER

An outstanding high school player at Irondale — all-conference and all-state as a senior, Bjugstad achieved more stardom at the University of Minnesota. He won the Western College Hockey Association scoring championship and was named to the WCHA all-star team in his senior year. He was a finalist in voting for the Hobey Baker Award for college hockey's most valuable player. He was a regular on the U.S. Olympic team that competed in 1984 in Sarjevo, Yugoslavia.

HIS GAME

Bjugstad has been a scoring threat wherever and whenever he played — at Irondale High School, at the University of Minnesota and for the United States Olympic team. He submerged that portion of his game in 1984-85 when he was learning the ropes in his first NHL season. But the offensive end of his game surfaced in 1985-86 when he was placed on a line with center Neal Broten and right winger Dino Ciccarelli.

Weight: 200 lbs. — 90 kg.

Age: 24 (May 3, 1963)

BORN

Sydney, Nova Scotia

Off-Season Home: Sherbrooke, Quebec

Right Handed, Shoots Left

OBTAINED

From Boston in exchange for a fourth-round choice in the 1987 Entry Draft on March 9, 1987

LAST SEASON

1986-87 — Paul Boutilier spent most of last season in a Boston uniform until he was acquired by the North Stars just before the trading deadline. Minnesota had its eye on his offensive capabilities and was rewarded by the two goals, four assists and six points he scored after he joined the North Stars.

CAREER

A standout scorer in junior hockey, Boutilier was honored when he was chosen as best defenseman in the Quebec League and was named to the QJHL's first all-star team. He was the Islanders' first choice (21st overall) in the 1981 Entry Draft. He spent all or part of four seasons with the New York team before he was awarded to Boston in September of 1986 in compensation for free agent signee Brian Curran.

HIS GAME

He plays an offensive game from his defensive position and has been rewarded during all of his career with the goals and assists that are the products of this style. A strong skater, he relies on his speed to make up for any problems that might result from his concentration on the offensive side of the game.

BASICS

Height: 6-2 — 185 cm.

Weight: 205 lbs. — 90 kg.

Age: 26 (Dec. 16, 1960)

BORN

Acton, Mass.

Off-Season Home: Port Chester, N.Y.

Right Handed, Shoots Right

OBTAINED

From the New York Rangers with a 1988 fourth-round draft choice for Curt Giles, Tony McKegney and a second round draft choice in 1988 on Nov. 13, 1986.

LAST SEASON

1986-87 — Bob Brooke joined the North Stars in November as the result of a deal that sent veterans Curt Giles and Tony McKegney to the Rangers. He was an immediate success from a defensive standpoint but took time to regain his offensive skills. But gain them he did later in the season when he ran off a series of eight straight point-scoring contests. He scored six of his 10 North Stars' goals in the last 19 games of the season.

CAREER

Originally a 1980 fourth-round choice of the Blues, Brooke was traded to the Rangers on March 5, 1984, after playing with the 1984 U.S. Olympic Team. Brooke scored three points in the 15 games with the Rangers toward the end of the 1983-84 season and 16 points in the 72 games played the next year, but showed his greatest promise in 1985-86. Brooke missed only one game that season, was the Rangers' second leading goal scorer (24), and led all Rangers in penalty minutes (111). Brooke also led the Rangers to their most successful playoff performance in six seasons, scoring six goals and nine assists in 16 games.

HIS GAME

The North Stars knew they added size at the center position when they acquired Brooke from the Rangers. What the North Stars also knew is that they added size at all five positions, because Brooke played all three forward positions and defense for the Rangers. Brooke, besides being known for his versatility, is a rugged forechecker, known to give an honest effort every game.

Age: 27 (Nov. 29, 1959)

BORN

Roseau, Minn.

Off-Season Home: Eden Prairie, Minn.

Right Handed, Shoots Left

OBTAINED

Minnesota's third choice (42nd overall) in the 1979 Entry Draft.

LAST SEASON

1986-87 — Misfortune was Neal Broten's constant companion last season. When the season started, prospects could not have looked brighter. He had scored 105 points in 1985-86 and rated in the front rank of NHL centers. But those prospects were blighted when shoulder injuries knocked him out of the lineup twice. The first one cost him 20 games early in the season. The second one put him out for the last 14 games of the year. The cumulative effect probably cost the North Stars a place or two in the Norris Division standings.

CAREER

Name an honor and it's more than likely that Broten has won it. He was a star for Roseau High School in two Minnesota state tournaments. He was a gold medal winner in the 1980 Winter Olympics, an All-American at the University of Minnesota and recipient of college hockey's highest award, the Hobey Baker Award, in 1981. He was a Stanley Cup finalist with the North Stars in 1981, a performer for the Campbell Conference in the 1983 NHL All-Star Game and again in 1986, winner of the 1982-83 Emery Edge Trophy awarded to the top plus/minus player on the team and winner of the North Stars' MVP award in 1983-84 and 1985-86. His 105-point season in 1985-86 was the first ever 100-point season by a United States-born player.

HIS GAME

Broten is a skilled goalscorer but his strongest role is as a playmaker. It's a pleasure for wingers to play with him. Time after time he puts them in for excellent chances. It's no coincidence that Dino Ciccarelli's all-time single-season record of 55 goals was set when he spent most of his time playing on Broten's line. Nor is it surprising that Scott Bjugstad scored a personal high of 43 goals in 1985-86 after joining Broten's line. Broten is also a skilled performer on the North Stars' specialty teams, often manning the point on the power play and killing penalties with considerable skill. Many times he has been double shifted on a regular basis, playing center with two different lines.

OBTAINED

Signed as a free agent, September 28, 1979.

LAST SEASON

1986-87 — Although he has scored more goals and more points in a single season, 1986-87 ranks as the best year in Dino Ciccarelli's career. He scored 52 goals and 51 assists and 103 points, leading the North Stars in each category. He was the only performer on the team to play all 80 games. He was voted the Masterton Trophy as most valuable player by his teammates. North Stars' fans chose him as the team's most popular player. He set an NHL record by reaching the 20-goal mark in only 15 games. He recorded one hat trick and 14 multiple-goal games. What's more, he accomplished a large share of those feats without the centering skills of injured linemate Neal Broten.

CAREER

His NHL career has been played in a blaze of glory for the most part. Dino has been chosen to play in two All-Star Games. He holds the team record for goals in one season with 55 and is the only Minnesota player to score more than 50 goals twice in his career. He set an NHL record by scoring 14 goals as a rookie in the 1981 Stanley Cup playoffs. All of this might not have taken place had General Manager Lou Nanne not signed him as a free agent after a fractured femur nearly wrote an end to his career while he played junior hockey in 1978.

HIS GAME

When Dino is on top of his game, he is in constant motion. He won't stand still for even a moment near his opponents' net. He darts in and out of the crease, is in front of the cage at one moment, in back of it the next. That frees him to receive the passes, gobble up the rebounds and score the goals. It often goes unnoticed, but his defensive game displays the same kind of effort.

OBTAINED

He signed a contract with the North Stars on June 1, 1986 as a free agent.

LAST SEASON

1986-87 — As last season unraveled, Larry DePalma's career as a North Star became more and more stable. He spent the first month of the season playing for Springfield of the American Hockey League, then was recalled three times in November before earning a spot on the North Stars' roster. DePalma, despite a shoulder seperation, sprained wrist and back, and a one-game suspension for fighting, missed only 11 of the North Stars' last 63 games.

CAREER

DePalma, along with Saskatoon teammate Randy Smith, signed a tryout form with the North Stars on Feb. 17, 1986. He played his first and only game of 1985-86 in St. Louis on March 13, 1986. DePalma returned to his Saskatoon club five days later to complete the 1985-86 season.

HIS GAME

DePalma plays with reckless abandon, displaying aggressiveness not often found in players under 200 pounds. He and linemate Willi Plett were the only two North Stars with over 200 penalty minutes last season. DePalma amassed 29 penalty minutes against Detroit March 5, 1987, the most penalty minutes by a North Star in a single game last season.

OBTAINED

Signed as a free agent May 17, 1983.

LAST SEASON

1986-87 — Dirk Graham cruised to his best season as a professional, but had it not been for a late-season injury, his year would have been even more exceptional. The hard-working right winger ended the season with 25 goals, a career high. But he scored only one of them in the last 13 games of the season when he was playing with painfully-bruised ribs.

CAREER

A 1979 draft selection by Vancouver, Graham has had to work himself up from the lower reaches of hockey's professional ranks. He advanced from the International League — where he scored 70 goals for Toledo in 1982-83 — to the Central League, then to the American League before breaking into the NHL. Instant success did not greet him, but the process of learning his trade in the minors has stood him in good stead.

HIS GAME

Graham plays either wing with equal ability. That's a quality that endears him to the Minnesota coaching staff. He's an exciting offensive player, one who gets his shot away swiftly and accurately. His record reveals that he has been able to score at whatever level he has played. He also is able to take care of himself in heavy traffic. Proof of that pudding was his career high of 142 penalty minutes last season.

BORN

Off-Season Home: Pirkkala, Finland

DRAFTED

Minnesota's fifth choice in the 1986 NHL Entry Draft.

LAST SEASON

1986-87 — During much of last season Jari Gronstrand maintained the best plus-minus record among North Stars' defensemen. He ended the season with a plus-4, two behind teammate Bob Rouse. Gronstrand and Rouse were the only two Minnesota defenders to end up on the plus side. His first National Hockey League season was punctuated by injuries — bruised rib muscles, separated shoulder, strained knee ligaments — that cost him 20 games.

CAREER

Before he joined the North Stars, Gronstrand played two seasons for Tappara in the Finnish League and represented his country once on Finland's National team.

HIS GAME

The first point you notice when you watch Gronstrand is his pinpoint passing. He is as accurate a passer as any defenseman on the Minnesota roster. He also is an excellent shot blocker. As last season wore on, he became more accustomed to the North American style and was able to cope with the rough going around the net.

BASICS

Height: 6-1 — 183 cm.

Weight: 195 lbs. — 89 kg.

Age: 28 (June 29, 1959)

BORN

Stratford, Ontario

Off-Season Home: Eden Prairie, Minn.

Right Handed, Shoots Left

OBTAINED

Minnesota's first choice (sixth overall) in the 1979 Entry Draft.

LAST SEASON

1986-87 — The highest point of Craig Hartsburg's season arrived after the North Stars completed last season. Say what? After last season, that's what. It was then that the North Stars' captain competed for Canada in the World Championships at Vienna, Austria. And it was there that Hartsburg was chosen as best defenseman in the tournament. Given the quality of the performers in the tourney, it was the greatest honor received by Hartsburg since he turned professional in 1978. The accomplishment doesn't dim the luster of his play during the regular season. If it wasn't his best year as a professional, it was awfully close. Playing hurt late in the season, Hartsburg left his heart on the ice as he personally tried to lift the team into the playoffs. As it was, he recorded his second-best scoring total, 61 points, only one shy of his personal best. He also became the first Minnesota defenseman ever to score the hat trick.

CAREER

His professional career started early. When he was 18 years old he left junior hockey to join Birmingham of the World Hockey Association. The amalgamation of the WHA with the National League made him available in the Entry Draft of that season. Minnesota selected him in the first round. Since then he has played in three All-Star Games, three World Championships and one Stanley Cup final. During 1983-84 and 1984-85 injuries held his total of regular-season contests to 58, but he missed only 12 games in last two seasons.

HIS GAME

A strong skater, Hartsburg is the prototype of a splendid offensive defenseman. An excellent puck handler, he can control a game by slowing down the play and setting things in motion. Hartsburg's shot is effective from the point, but he is equally dangerous from short range.

Age: 22 (June 29, 1965)

BORN

Off-Season Home: Cumberland, R.I.

Right Handed, Shoots Left

OBTAINED

Minnesota's first choice (first overall) in the 1983 Entry Draft.

LAST SEASON

1986-87 — Members of the Twin Cities media who cover the North Stars on a regular basis chose Brian Lawton as the North Star who showed the most improvement last season. Lawton scored the most goals (21) and points (44) he has recorded as a professional. More to the point, he was the team's leading plus-minus performer, winning the club Emery Edge award with a plus-20. Along the way, he scored the second hat trick of his career. Both of them were recorded in Chicago Stadium.

CAREER

Lawton was chosen Rhode Island high school athlete of the year by USA Today to cap a marvelous career as a schoolboy athlete. He led that state in scoring for two straight years while performing on one of New England's strongest squads. His abilities were such that he was selected to play for the United States in the world junior and world B tourneys. The North Stars then made him the first overall selection in the NHL Entry Draft.

HIS GAME

He was a center when he first arrived in Minnesota, but has seen most of his playing time at left wing for the last couple seasons. He is a determined checker, who forechecks very well and takes the body without taking himself out of position. Lawton is a talented playmaker who seems to enjoy setting up his linemates. However, his goal-scoring skills have improved vastly during the last two seasons.

Age: 28 (Oct. 17, 1958)

BORN

Off-Season Home: Redondo Beach, Calif.

Right Handed, Shoots Left

OBTAINED

Obtained from the New York Rangers in exchange for a fourth round choice in the 1987 NHL Entry Draft Sept. 8, 1986.

LAST SEASON

1986-87 — Brian MacLellan's play gave Minnesota North Stars' followers the opportunity to smile last season. Acquired shortly before training camp, MacLellan made the deal look good by responding with perhaps his best season as a professional. He had the best goal scoring season (32) of his career and finished second overall in North Stars' scoring with 63 points. He had five multiple-goal games — all of them two-goal performances. It was all quite satisfying for a player who had scored only 16 goals and 45 points in the previous season.

CAREER

He was signed as a free agent by Los Angeles in 1983, after spending his college days at Bowling Green University. After two-plus seasons with the Kings he was part of a cross-country deal that sent him to the Rangers where he helped lead New York to the Wales Conference playoff finals.

HIS GAME

He is at his most effective when he is in front of the net, using his size and strength to stand his ground and fend off opposing defensemen. He is an accurate shooter who recorded a success ratio of 21.9 percent, best of any North Star last season.

Age: 31 (Nov. 17, 1955)

Toronto, Ont.

Off-Season Home: Eden Prairie, Minn.

Right Handed, Shoots Left

OBTAINED

Obtained from Washington on July 5, 1983 for Minnesota's second-round draft choice in 1984.

LAST SEASON

1986-87 — Injuries — a separated shoulder midway through the season and torn knee ligaments late in the year — cost Dennis Maruk 13 games and left his point total at its lowest since 1979-80, another injury-plagued season. When he was well last year, Maruk ran hot and cold, scoring well at points and going through prolonged droughts at other times. In short, his season paralleled that of the North Stars.

CAREER

Maruk was drafted in the second round in 1975 by the California Golden Seals. He moved with the Seals from Oakland to Cleveland and eventually to Minnesota after the 1977-78 season when the Barons merged with Minnesota. Maruk went to training camp with the North Stars, but a week into the season he was swapped to the Capitals. In 1981-82 he became the fifth player in league history to score 60 or more goals. He scored 50 the year before. He has collected 30 or more goals in six of his 12 NHL seasons.

HIS GAME

At barely 5-foot-8, Maruk gives up almost half a foot to his many foes. But those who collide with him in the corners more often than not discover him to be small only in height. He is exceptionally powerful in the upper body and has the quickness, the aggressiveness and the touch needed to propel the puck across the goal line.

OBTAINED
From the New York Rangers for cash on Feb. 21, 1987.

LAST SEASON
1986-87 — Brad Maxwell made the rounds last season before winding up where he started as a professional — with the Minnesota North Stars. He went to training camp with Toronto, but was traded to Vancouver just before the season started. The Canucks dispatched him to the Rangers midway through the season. He spent a little more than a month in New York before he was sold to the North Stars. Maxwell played 17 games for Minnesota during the last six weeks of the campaign.

CAREER
He spent the first seven-plus seasons of his career at Minnesota after he had been selected by the North Stars in the first round (seventh overall) in the 1977 Draft. That choice was made after Maxwell had led New Westminster, B.C., to the 1977 Memorial Cup championship. He began a fast-paced tour of the NHL in 1984 when the North Stars dealt him to Quebec. He subsequently played in Toronto, Vancouver and New York before returning to Minnesota.

HIS GAME
Maxwell's style has changed during his 10 years in the National Hockey League. When he broke into the league, his game was largely offensive. Over the years he has come to pay more attention to the defensive side of the sport. He still has a powerful slap shot and is often used as a point man on the power play.

Age: 26 (January 1, 1961)

BORN

Orillia, Ontario

Off-Season Home: Eden Prairie, MN

Left Handed, Shoots Left

OBTAINED

Signed as a free agent June 23, 1978.

LAST SEASON

1986-87 — Basil McRae split last season with Detroit and Quebec, and made an impact in both cities. During his first 36 games, he had four points and 193 penalty minutes for the Red Wings. Thirty-six of the penalty minutes and two of his game misconducts came in two games against the North Stars. McRae was then traded to Quebec along with John Orgondnick and Doug Shedden for Brent Ashton, Mark Kumpel and Gilbert Delorme. The change of scenery sparked McRae's scoring touch as he added nine goals and 24 points for the Nordiques in 33 games. He added 149 minutes to his penalty total with Quebec to give him the fourth highest total in the league last season (342). McRae excelled in the playoffs, adding four points and 99 penalty minutes in Quebec's 13 post-season games.

CAREER

Drafted as an underage junior by Quebec in 1980, McRae played 42 games in three seasons for the Nordiques before being swapped for Toronto's Richard Trumel before the 1983-84 season. He spent most of his tenure with the Maple Leafs at St. Catharines of the American Hockey League before signing as a free agent with Detroit in August of 1985. During his first season with the Red Wings, McRae spent 69 games in Detroit's farm system at Adirondack. Last season, McRae did not play in one minor league game.

HIS GAME

There's not doubt that McRae's biggest asset is his strength. He uses that asset to pry the puck out of corners and police the ice. McRae has scored as many as 30 goals in a minor league season, but has yet to top the 11 goals scored last season in the NHL.

OBTAINED

North Stars' third round draft choice (56th overall) in the 1983 NHL Entry Draft.

LAST SEASON

1986-87 — Mitch Messier completed his senior year at Michigan State by being named a first-team All-American. The right wing was also the leading vote getter for the Central Collegiate Hockey Association first team all-star squad. His 44 goals and 92 points in 45 Spartan games placed him fifth in MSU career points (210), tied for sixth in career goals (86) and eighth in assists (124). Selected as MSU's outstanding offensive player, Messier led the team with eight game-winning goals, seven short-handed goals and 23 power play goals. Messier scored a point in a school record 43 of 45 Michigan State games last season.

CAREER

Came to MSU from the Notre Dame Hounds of the Saskatchewan Juvenile League, where he served as co-captain of the team that won the league title with a 65-5-1 record. Once a Spartan, Messier doubled his goal production during his freshman, sophomore and junior year before setting a personal record of 44 goals his senior year. Messier led the Spartans to the 1986 NCAA Championship, where he was the tournament's high scorer.

HIS GAME

'Always in the right place at the right time' is a phrase used often to describe Messier's play. He is a gifted offensive performer, one capable of scoring or creating goals at any moment. He has performed outstandingly in both power play and short-handed situations.

OBTAINED

Minnesota's second round (38th overall) selection in the 1983 NHL Entry Draft.

LAST SEASON

1986-87 — The season of 1986-87 was one of adjustment to the National Hockey League for Frantisek Musil. The pace of the games and the number of contests were obstacles that were new to the young man who had spent all of his playing life in Europe. But he persevered and played all but eight games of the regular season. He finished the year at even on the plus-minus scale. Only two Minnesota defensemen had better plus-minus records.

CAREER

Participation on Czechoslovakia's 1985 World Championship team ranks highest among Musil's accomplishments during his relatively short playing career. He played two season for Dukla Jihlava in the Czechoslovakian League.

HIS GAME

Musil's game is defensive. He's not the type of defenseman who will put lots of numbers in the scoring statistics. He concentrates more on keeping the opposition off the scoreboard. He is large and strong and works well along the boards.

Off-Season Home: Apple Valley, Minn.

Right Handed, Shoots Left

OBTAINED

Minnesota's second choice (19th overall) in the 1978 Entry Draft.

LAST SEASON

1986-87 — Two devastating injuries incurred two seasons ago took their toll on Steve Payne last year. The large left winger underwent surgery on a cervical disk during training camp in 1985. He returned to a playing role in December of that season and was starting to hit his stride when fate struck again. His right knee was torn up on Feb. 8. The subsequent surgery left him on crutches for the balance of that season. He joined last year's team 22 games into the season, but managed only four goals during the balance of the year.

CAREER

He has scored more career goals (227) and single-season goals (42) than any left wing in the North Stars' history. He now ranks third on the team's all-time goal scoring list behind Bill Goldsworthy and Dino Ciccarelli. He is tied for fourth in all-time points at 462 and eighth in assists at 235.

HIS GAME

Payne's style when he is fit has not changed significantly since he came to Minnesota in 1978. He uses his size and strength to gain a favorable position in front of the net or in the slot and scores the majority of his goals from short range on deflections and rebounds. His goals often come in bunches. He had at least one hat trick in each of his first five professional seasons but did not manage to score one in either of the last three seasons, leaving his total at six. He is a strong skater, one the opposition has a hard time knocking off the puck.

LAST SEASON

1986-87 — The acquisition of Ron Wilson, Frantisek Musil and Jari Gronstrand put every North Stars' defenseman's job on the line last season. Especially the job of Chris Pryor, who in three previous minor-league seasons had played in 11 North Stars games. But to the surprise of everyone except Chris Pryor, 1986-87 was the year Pryor made it in the National Hockey League. Although he began the season in Springfield, he was called up by the North Stars early in the season. He played sparingly, was loaned back to Springfield, then recalled by the North Stars in November. Pryor made the team's second call to the NHL stick, playing in 43 of the North Stars' last 56 games. He did not miss a game all season due to injury but did not play in some games due to the depth of Minnesota blueliners.

CAREER

A graduate of Hill-Murray High School, Pryor played four years at the University of New Hampshire, scoring 26 goals and 64 assists in 129 games. He signed as a free agent with the North Stars on Oct. 1, 1984. After playing full seasons in Salt Lake and Springfield, Pryor played in his first North Stars' game on Feb. 17, 1985. He recorded his first assist as a North Star on Nov. 17, 1985 and scored his first NHL goal on March 11, 1987.

HIS GAME

Pryor bases his game on the work ethic. He is often the last player off the ice after practice. His game, in addition to being physical, stresses positioning and crisp passing.

Gordie Roberts

BASICS

Height: 6-0 — 180 cm.

Weight: 193 lbs. — 87 kg.

Age: 30 (Oct. 2, 1957)

BORN

Detroit, Mich.

Off-Season Home: Bloomington, Minn.

Right Handed, Shoots Left

OBTAINED

Traded by Hartford to Minnesota Dec. 16, 1980 for Mike Fidler.

LAST SEASON

1986-87 — Torn rib muscles at the season's start cost Gordie Roberts seven games and the edge in conditioning and skills he had built up during training camp. It took him time to regain those qualities, but he burst back into prominence Dec. 2 in Buffalo where he scored the game-winning goal in a 5-4 victory. Two games later he scored again. His offensive prowess was less visible during the balance of the season, but his defensive efforts helped shore up the injury-plagued North Stars' blue line corps.

CAREER

Gordie was signed at the age of 18 by the World Hockey Association's New England team. He played with the Whalers for five and half seasons before he was traded to Minnesota. He led all WHA defensemen in scoring in back-to-back seasons, 1977-78 and 1978-79. Gordie has been named the North Stars' best defenseman twice (in 1982-83 and in 1983-84) and the team's most-improved player twice (in 1981-82 and 1982-83).

HIS GAME

Robert's game has changed during his 12 seasons as a professional. Where he once was the prototype of a rushing defenseman, carrying the puck from end to end, he now is a more-cautious, more-thoughtful performer. That's not to say he isn't capable of an end-to-end rush that brings the crowd to its feet. But by and large he stays at home and does his chores.

Bob Rouse
DEFENSE

BASICS

Height: 6-1 — 183 cm.

Weight: 210 lbs. — 95 kg.

Age: 23 (June 18, 1964)

BORN

Surrey, B.C.

Off-Season Home: Apple Valley, Minn.

Right Handed, Shoots Right

OBTAINED

Minnesota's fourth choice (80th overall) in the 1982 Entry Draft.

LAST SEASON

1986-87 — The plus-minus figures tell the Bob Rouse story. Rouse, with a plus-6, led all North Stars defensemen last season. The previous season he was second best among the Minnesota defenders. He didn't score a lot last season — two goals and 10 assists, but that's not the game he plays. Once again he was dependable and efficient in the North Stars' end of the rink.

CAREER

Born and raised in the Canadian West, Rouse played all of his junior career in the Western League, performing for clubs in Billings, Mont.; Nanaimo, B.C., and Lethbridge, Alta., before joining the North Stars in 1984-85. His fellow players named him the North Stars' rookie of the year in 1984-85.

HIS GAME

By and large Rouse is a defensively-oriented defenseman. That's not to say that he doesn't make the occasional offensive foray, but his emphasis is on the play in his end of the rink. He is physically powerful and can play a strong hitting game.

He missed five games with left knee ailments, four games due to the flu and one game because of an NHL suspension for fighting.

CAREER

Ruskowski is entering his ninth season in the NHL, but his professional playing experience goes back much further. Prior to his NHL career, he played five years in the World Hockey Association and was a member of the Avco Cup Champions with Houston in 1975-76 and Winnipeg in 1978-79. Ruskowski joined the club that originally drafted him, the Chicago Blackhawks, in 1979-80. He played three seasons with Chicago before being traded to Los Angeles at the start of the 1982-83 season. Ruskowski enjoyed three more seasons with the Kings before signing with the Penguins as a free agent in 1985. He played two seasons with the Penguins before signing with the North Stars as a free agent last summer.

HIS GAME

At 5'9", Ruskowski is a scrappy customer. He picks up a lot of his goals in front of the net and many of his assists by digging the puck out of the corner. He was described as the "heart of the team and an inspirational leader" by the Penguins P.R. department.

Kari Takko
GOALTENDER

1

BASICS

Height: 6-2 — 187 cm.

Weight: 182 lbs. — 81 kg.

Age: 25 (June 23, 1962)

BORN

Kaupunki, Finland

Off-Season Home: Pori, Finland

Right Handed, Shoots Left
Glove Hand — Right

OBTAINED

Minnesota's fifth round selection (97th overall) in the 1984 Entry Draft.

LAST SEASON

1986-87 — All things considered, Kari Takko's first full season in the National Hockey League was a creditable performance. His teammates selected him as the season's best rookie after a year that saw him play in nearly half of the North Stars' contests. Going into the month of March, he was close to .500 with a 13-14-4 record. But he was a victim of the North Stars' slide in March and failed to win in his last four starts.

CAREER

He played for Finland's National team and in the 1984 Winter Olympics before he was drafted by the North Stars in 1984. Takko earlier had been drafted by Quebec, but did not sign with the Nordiques. When he became eligible again, the North Stars took him as a fifth-round choice. He spent his first North American season in Springfield, Mass., where he was named the American League team's most valuable player and rookie of the year.

HIS GAME

He uses his size to his advantage and plays the angles properly. A standup goaltender, he plays an orthodox game. He challenges the shooters and defies them to beat him. He seldom beats himself by letting in bad goals.

Ron Wilson
DEFENSE

2

BASICS

Height: 5-10 — 178 cm.

Weight: 170 lbs. — 76.5 kg.

Age: 32 (May 28, 1955)

BORN

Windsor, Ont.

Off-Season Home: Eden Prairie, Minn.

Left Handed, Shoots Right

OBTAINED

Signed as a free agent March 6, 1985.

LAST SEASON

1986-87 — Last season was Ron Wilson's first full season as a North Star. His plunge back into the National Hockey League waters was a successful one. Wilson scored 12 goals, more than any Minnesota defenseman and finished second to Craig Hartsburg in points scored by a North Stars defenseman. He diagrammed, then scored the season's most-exciting goal, the last-second tally that gained the North Stars a tie at Chicago in the next-to-last game of the season. When he missed 11 games because of a separated shoulder, his absence cost the team dearly.

CAREER

After a remarkable college career at Providence — he led the team's scoring all four seasons — Wilson signed a contract with Toronto. He played a couple of seasons with the Leafs, then chose to perform in Europe. He spent one season at Kloten and five with Davos, both of the Swiss League. Wilson joined the North Stars after the conclusion of his last two years at Davos and played late-season and playoff contests.

HIS GAME

He is a mobile defenseman whose game is weighted toward the offensive side of defense. Wilson moves and passes the puck with skill and precision. He is particularly effective on the right point of the Minnesota power play.

NORTH STARS' TRAINERS

Stability is the word that best describes the situation of the North Stars' training staff. For the third season in succession all three members of the staff — head trainer Dick (Doc) Rose, trainer Dave Smith and equipment manager Mark Baribeau — return to the dressing room scene.

Rose 49, is a native of St. Paul who joined the North Stars in 1969 after gaining experience with the United States Olympic team and the South St. Paul Steers of the United States League. A bachelor, Rose spends much of the off-season on the North Shore of Lake Superior near Lutsen, Minn. He is an ardent and expert fisherman.

Smith 44, begins his third year with Minnesota after eight seasons with the St. Louis Blues. He worked with the World Hockey Association team in Cleveland for four seasons and in the International and Ontario leagues. Smith was head trainer for the 1987 United States Canada Cup team. The native of Toronto is married. He and his wife Maxine and their son make their home in Eagan.

The 24-year-old Baribeau starts his third full-time season. He had been Rose's part-time assistant for the four previous seasons. The native and resident of Richfield is single.
